

Cancellation | No-Show Policy

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed treatment. Conversely, the situation may arise where another patient fails to cancel, and we are unable to schedule you for a visit, due to a seemingly “full” appointment book.

Office Visit Cancellation:

Cancellation within 2 days is subject to a **\$25** cancellation fee.

Procedure Cancellation:

Cancellation within 3 days is subject to a **\$50** cancellation fee from Sonoran Gastroenterology. You may also receive a **separate \$50** cancellation fee from the facility where you are scheduled.

Therefore, if an appointment is canceled within these time periods or without any notice at all, a charge will be billed to **YOU** and **NOT** your insurance company.

Please sign that you have read, understand, and agree to this Cancellation / No-Show Policy.
